## Big Open House With KDES Set For Public Soon

The new offices and plant facilities of your Desert Sun went on show today before a highly critical audience.

Newspaper publishers from throughout the state and from some of California's neighbors were scheduled to visit the plant following a luncheon program.

The visit was planned as a preview affair under the auspices of Jerome Feldman and his Newspaper Equipment Services Co., specialists in newspaper presses and machinery.

## Press Expert Is Host to Publishers

Jerome Feldman, president of Newspaper Equipment Services Co., who sold and installed the new 48 page press equipment of The Desert Sun and who is hosting a publisher luncheon today, has sold or installed presses all over the world.

In addition to many installations in Mexico, Feldman's recent installations include equipment in Cuba, Nicaragua, Puerto Rico, Hawaii and Alaska.

United States installations number in the hundreds, from huge metropolitan presses to country weeklies coast to coast.

NESCO erectors for The Desert Sun in Palm Springs were Willie Nishm, Michael Yuhas and Jules Gavrilac, who came to the desert directly from an installation in Puerto Rico.

## Gentle Reminder

Internal Revenue Commissioner M. M. Caplin today said that the booklet, "Your Federal Income Tax" is now available at all Internal Revenue Service offices. The booklet, a government "best seller," covers all phases on the income tax in an easily understandable manner.

## Advertising Held Press Influence

By SUE RAYMOND

"To What Extent Does Advertising Affect Newspaper Editorial Policy?"

This was the subject discussed by a group of publisher-panelists, during a Desert Press Club forum held at the Biltmore Hotel last night.

Included on the panel, which was moderated by Hubbard Keavy, Los Angeles Associated Press Bureau Chief, were Arthur Culver, Riverside Press Enterprise general manager; Walter Burroughs, Costa Mesa publisher; Russell Quisenberry, former North Hollywood publisher; and Carl W. Schooss, Desert Sun publisher.

Modest Moderator  
Pat Raymond, program director, asked the panelists to include in their discussion the influences of publicity and public relations as well as advertising on the press. He also directed panelists to include radio, television and magazine mediums under the press category.

Opening the discussion, Keavy commented, "Since the Associated Press has never accepted a line of advertising, I feel well qualified to moderate this discussion."

Each panelist was allotted time to express his views on the subject, and one hour later it was obviously agreed that influences did exist, but that any publisher who let himself be unduly influenced would lead himself and his product to ruin.

Unslanted News  
It was explained that although newspapers need advertisers and press agents, the converse was also true. For this reason, the panelists agreed that publishers were able to put out a product that offered readers unslanted news, and all the news.

It was noted that all publishers could not be included in the discussion. As there are unethical persons in any field of endeavor, there are unethical publishers. These most certainly are influential. But, by and large a publisher has control of his product, they said.

In all, more than 80 guests were expected for the luncheon and inspection tour.

## Blast Confirms Suspicions of Frontier Traps

BERLIN (UPI) A land mine exploded 100 yards inside the Communist barbed wire border between East Germany and West Berlin today.

Western police said it confirmed their suspicions that the Communists have planted a deadly ring of mines around West Berlin.

A person who appeared to be an East German border guard was either injured or killed in the blast this morning inside the Soviet Zone where it borders the French sector in north Berlin, Western police said.

The incident was witnessed by a Western policeman on guard duty on the other side of the triple barbed-wire fence.

75-Mile Line  
West Berlin police said it proved that the Communists have planted anti-refugee mines along the 75-mile border between West Berlin and East Germany. This border is distinct from the Communist wall dividing East Berlin from the Western zone of the city.

The scene of today's incident was partly obscured from the Western side by bushes. But police said there were no indications that it might have been a refugee who stepped on the mine.

Western police said it was broad daylight, making it impossible for a refugee to get that close to the border unseen. For that reason, they said, it appeared the victim was a patrolling Communist border guard.

Shanghai Claimed  
The latest border incident came shortly after the East German Communist news agency ADN said that two Cuban artists had claimed they were shanghaied from East Berlin to the West by American intelligence agents.

Hector Esrems McCormack and Roberto Herrera Hernandez said one West German and two American agents lured them to West Berlin with liquor and held them for three days in the luxurious Hilton Hotel in the Western sector to try to get them to sign an anti-Castro declaration.

"Only by escaping to East Berlin could we escape the clutches of American and West German agents," ADN quoted them as saying.

The date of the incident, which allegedly occurred while the Cubans were on a vacation in East Berlin, was unknown.

Desert Crash Injures Visitor  
A Studio City man was injured Friday night when his car went out of control and rolled over.

Patrick R. Bryant, 20, was taken to Desert Hospital, though his injuries were described as minor by the California Highway Patrol.

Display of Art Featured at New Sun Building  
Enhancing the new offices of The Desert Sun are works of art on display and loaned by the artists through the Desert Art Center of Coachella Valley. President Roy Hitchcock of the Art Center arranged for the showing, which will be on a rotating basis.

Three oils: "Interlude" by Sam Hyde Harris, "Smoke Trees" by William Krehm and "Male Figure" by Alex Canedo head the list. Also shown are two water colors, "Old Sonora Farm" by Paul Lauritz and "Lagoon" by Lester Bonar.

A wood carving, "Dragon" appropriately hangs over the publisher's office and a Masonite carving, "Kachina" by the same artist, Mogens Abel also is shown.

A large Paul Grimm desert scene is on loan by the artist and the Desert Museum.

WASHINGTON (UPI) — Secretary of State Dean Rusk leaves tonight for Punta del Este, Uruguay, to seek the strongest possible inter-American condemnation of Communist Cuba.

The Kennedy administration would like the foreign ministers of the 21-nation Organization of American States (OAS) who convene in Punta del Este Monday, to vote economic sanctions against the Castro regime.

WASHINGTON (UPI)—The administration was on the record today with a blunt new assertion that America would not hesitate to use atomic weapons even in a small war if military circumstances required them.

## Rain Tries Desert Visit

A hesitant promise of rain showed in the desert sky today as clouds massed over the western mountains and spread in thin echelons toward the east, while much of the nation prepared for heavy snows.

Spotty showers were forecast for the desert area, with gusty winds and high temperatures of 60 to 65 degrees. A few raindrops were noted in Palm Springs early today, but the moderate to heavy showers which have drenched the Los Angeles area seem restricted to the coastal belt.

As a mass of arctic air pressed down on the nation threatening heavy snow in the east, with zero temperatures in the northeast and Midwest, coastal southern California prepared for weekend rains. Small craft storm warnings were broken out from Point Conception to Oceanside.

Coastal mountain areas may have snow to the 5,500 foot level, the weather bureau reported. Though cooling winds are expected through southern California, no major threat to the citrus crops is predicted.

**RULING** night club comedian Joe E. Lewis talked his way into a 40-minute triumph during his Chi Chi opening Friday evening. The veteran entertainer will play a 10-day engagement here, polishing dialogue and special material for his adult audiences.

## Joe E. Lewis Wows Crowd at the Chi Chi

By PEYTON CANARY

Joe E. Lewis, titular head of the saloon standup comic field, walked onstage to a prolonged first-night ovation at the Chi Chi last night.

"If I had known you were going to eulogize me so much," the gravel-voiced master comic murmured, "I'd have done the only decent thing and died first."

Before his loyal subjects recovered, Lewis extolled Palm Springs, the audience, and the Chi Chi, adding "let us pray."

Lewis, here on an annual select niter circuit which includes such name boites as Miami's Eden Roc and Chicago's durable Chez Paree, observed that "I have risqué material for sophisticates, and just plain filth for the common man."

The warning vanished when Lewis tossed away such bon mots as a description of Adlai Stevenson: "The man with a genius for saying the right thing at the right time to the wrong people."

A noted elbow-bender, Lewis confided that he didn't drink a lot.

"I just put away a lot of little ones." After observing sadly that Frank Sinatra had more fun playing his life in "The Joker is Wild" than "I did living it," Lewis consoled himself with the fact that "I have a way with women."

After about 40 minutes onstage, he managed to break away from prolonged applause with the observation that the second show would be all ad-lib. "I think I'm in it now," he added.

Agile Jimmy Ray, who shared billings with Lewis in the '20s, opened the program with some graceful soft-shoe that won repeated ovations. Copper-tressed Marion Colby provided the vocals, best displaying her artistry with a thing called "I'm going to be a bad girl."

After about 40 minutes onstage, he managed to break away from prolonged applause with the observation that the second show would be all ad-lib. "I think I'm in it now," he added.

## Farmers Gain With Talks On Braceros

WASHINGTON (UPI) —Farmers who hire Mexican workers appeared today to have scored at least a partial victory in their demands to pay the braceros an hourly wage.

Representatives of California, Arizona and Texas lettuce growers were promised that they could pay either a piece work rate or an hourly rate.

Final agreement was expected to be announced Monday after the growers get together once more with Labor Undersecretary W. Willard Wirtz.

Wirtz, with about 100 California growers present, Friday told the California congressional delegation that basic agreement had been reached on a piece work rate of 24 cents a carton and an hourly rate of \$1.

The Labor Department earlier had insisted that growers pay only on a piece work basis.

The growers also appeared to have won a demand for more consultation by the department before the issuance of new regulations made necessary by amendment of the Mexican labor program by Congress.

Labor Secretary Arthur Goldberg appeared personally at the California meeting to apologize for announcement of the 24 cent rate without sufficient consultation.

"I don't think there was adequate consultation before that rate was fixed," he said. "To that extent we were wrong."

THE SIRCHIE Fingerprint Laboratories, Camden, N. J., is one of the few firms in the country where crime does pay. Since 1930 the company has been supplying law enforcement agencies the world over with scientific detection equipment to apprehend criminals charged with everything from petty larceny to murder.

Francis J. Sirchie, the company's founder, is an expert in criminology who re-

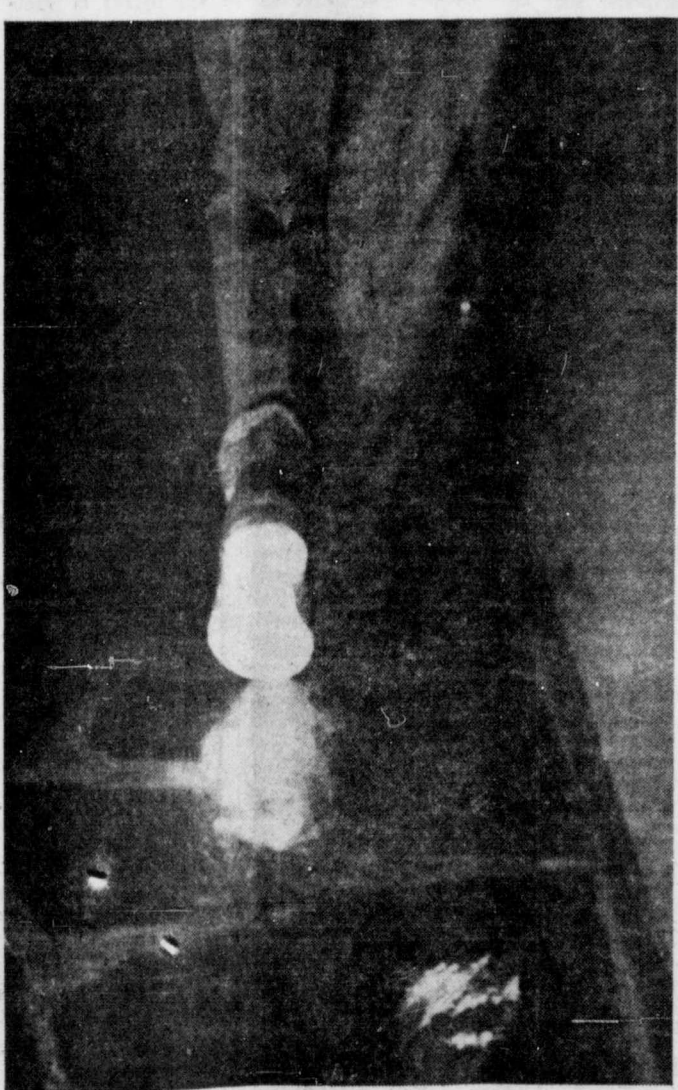

ceived his first taste of police work as a member of the Texas Rangers. During this period he became interested in fingerprinting, then in its infancy. Today the Sirchie Laboratories produce every type of detective equipment from electronic booby traps and lie detectors to "homicide kits" and security and espionage devices. The equipment, because of its very nature, is sold only to police agencies.

# Hornsby To Coach For Mets

NEW YORK (UPI) — Manager Casey Stengel of the New York Mets said today that newly-appointed coach Rogers Hornsby "can help anybody with his hitting—he has the average to prove it."

Hornsby, 65, completed his playing career with a .358 lifetime batting average, second in the history of baseball only to the late Ty Cobb's .367.

Hornsby, who had been scouting for the Mets in the Chicago area for the last year, joins Solly Hemus and Cookie Lavagetto as coaches for the new entry in the National League. Stengel said the club expects to appoint a fourth coach — either a former pitcher or a former catcher who could be of special aid to pitchers.

Stengel counseled the team's young players to listen closely to the advice of Hornsby, who hit .400 three times, including the modern major league record of .424 in 1924.

"He hit .400 and was the greatest right-handed hitter in baseball," said Stengel. "I couldn't hit .400 batting left-handed. But I hope Rajah can influence a couple of those men and they'll listen to what he has to say about hitting. If they'll put in the time, he'll give them five hours."

Stengel's last reference was to Hornsby's well-known "one track mind" about baseball. Hornsby, who managed several clubs during and after his playing career, has often been outspoken in his criticism of modern players as "pampered." The fact that he was a martinet proved his undoing as a manager.

## ARMY TO HAVE SAY

### NBA Gives Baylor Green Light

LOS ANGELES (UPI) — Elgin Baylor got his okay from the National Basketball Association to play for the Los Angeles Lakers, but now the Army is going to have its say in the matter.

The Lakers said Friday night they had hoped to have Baylor down on a weekend pass to play against the New York Knickerbockers. But he failed to make it from his Madigan Army Hospital post in Seattle, Wash., and Lakers officials said the high-scoring forward would not be able to play against Cincinnati tonight in the Ohio city.

There was some mixup as to what actually prevented the all-pro forward from playing, but in Seattle, Baylor said he should be able to make it all weekend home Laker games — and that's all — after this weekend.

Baylor, who attended the Pepperdine - Seattle game Friday night in Seattle, said he got his weekend pass at 4 p.m. Friday, too late for him to arrive in Los Angeles for the Knickerbocker game. He added that the normal 3-day weekend pass permitted him to travel 1,500 miles from Ft. Lewis, Wash. — the base to which he is attached.

Baylor, who has scored 71 points in a single game and was averaging 38 points a game this season, was recalled to active duty as a member of the Army Reserve on Jan. 2. NBA owners recently passed a rule allowing athletes in the service to play on leave.

# Tribe Clips 29 Palms, 47-44

TWENTYNINE PALMS — Still on the warpath, the Palm Springs Indians won their third straight Desert Valley League basketball game last night when they whipped the Palms Wildcats, 47-44.

Whiz kid Tyron Taylor again supplied the scoring punch for the Tribemans as he ripped the nets for 22 points to increase his DVL scoring lead.

Coach George Hertzkes' Indians jumped to an early lead as they dumped in 13 tallies to the Wildcats in the first stanza. During the second period they collected 14 markers as the 'Cats were scoring 13 — giving the Tribe a 27-21 bulge at intermission time.

The Wildcats came back after the rest period and outscored the visiting Indians 17-12 to narrow the margin to one point as the two quintets opened the final period.

It was a nip and tuck battle during the final quarter as h Tribe-men hit for eight markers as the Wildcats were adding but six to the scoreboard.

With the play of Edwards fine defense, they were able to throttle the Wildcats scoring ace, Greg Romain, and held him to one field goal and three charity shots. Jack Lewis was high scorer for the 'Cats as he pumped in 13 points.

His teammate, Gene Voffett was the only other Wildcat to score in double figures as he hit for 10 tallies in the game.

Two Indians, Mark Edwards and Carlos Reyes, added to the Tribe's victory by hitting for six points each in a winning cause.

Frank Rivers registered 17 points in the Bee game to lead the Papooses to a 42-17 rout over the 29 Palms Bees. Erick Morrison and Ernie Reyes each collected eight tallies for the winning Papooses.

### 40-HIGH WINDS

## Campbell Tops Field In Crosby Tourney

PERBLE BEACH, Calif. (UPI) — If there are any good mudders in the field, they should come to the front today in the third round of the \$50,000 Bing Crosby National pro-amateur golf tournament.

A gale and rainstorm nearly blew the tourney out of business Friday — and the forecast is for more of the same weather today.

The proven mudders going into the third round are Joe Campbell of Pendleton, Ind., who leads the field with a 36-hole score of 138 after a 71 Friday in the wind and rain; 23-year-old Jacky Cupit, Longview, Tex., who also had a 71 for 139; and Ken Venturi, who had a 69 for 141.

And little Albie Pearson, the tiny Los Angeles Angels baseball player, might be included in the category, too. He helped partner Bob McCallister 14 shots for the second straight time and they posted a two-round best ball of 123 — five strokes ahead of the field.

The 40-mile gale ruined most efforts to shoot sub-par golf. There was only one man to break par at Cypress Point; two at Pebble Beach, and nine at the sheltered Monterey Country Club.

There were only three rounds below 70. National PGA champion Jerry Barber had a 68; Venturi and Doug Sanders had 69s — all at the country club.

The stocky Campbell, an ex-

basketball star at Purdue, rolled in a 35-foot putt on the 13th ole after blasting out of a trap for the birdie that put him one under par and gave him undisputed lead. He had started the day in a deadlock with Chuck Congdon, Tacoma, Wash., who took a 78; and Phil Rodgers, La Jolla, Calif., who had a 75.

## Polo Teams to Stage Round-Robin Matches

Eldorado will host Texas and the Red Diamonds of Pomona in a three team polo match starting at 1 o'clock tomorrow afternoon at the Eldorado polo grounds.

While nine chukkers of pool are on tap, each team will play the regulation six chukkers. Eldorado will open the card with three chukkers against Texas. Then the winner meets the Red Diamonds for an additional three periods. Then the two losers finish out the final three chukkers.

Last weekend Texas, with Bill Atkinson — tall in the saddle — came from behind to hand Eldorado its first loss of the season, 5-to-3. Eldorado however defeated the Red Diamonds, 5-to-4, while the Pomona team and Texas finished in a tie.

Eldorado has revamped its line-

up and figures to come back strong. They will have four goal Jack Conant at number three and rounding out the team are Dick Neville at number one; Wayne Ireland at two; and Club president Will Tevis at four. Both Nevada and Tevis have a one goal ranking.

Texas will have a line-up of Bob Alexander at one; Rudy Gutierrez at two; Atkinson at three; and L. C. Smith at four. Atkinson has a three goal ranking, while Gutierrez and Smith are two goal players.

The Red Diamonds will have four goal Bob Smith at two; two goal Willis Allen at three; Ted Pierce at one and Morrie Morrison at four. The last two players have one goal ratings.

## THAT CHAPTER BANNED

# Marine Officer's Article Hits Truman, Ike

WASHINGTON (UPI) — The Defense Department said today it banned a Marine officer's article on the history of the corps because it "impugned the good faith" of former President Harry S. Truman and former military leaders.

Among them was Gen. Dwight D. Eisenhower.

The article, reported to be a chapter from a Marine Corps history that has taken six years to prepare, had been scheduled for publication in Naval Institute Proceedings, a journal of the U.S. Naval Institute.

It was written by Col. Robert D. Heinl Jr., now head of the U.S. naval mission in Hanoi.

Disclosure of the ban came five days before the start of a Senate

inquiry into alleged "muzzling" of military expression. It led the Army-Navy-Air Force Journal to propose editorially today that Defense Secretary Robert S. McNamara set up an advisory committee on policies for professional writing in view of "the latest case of Pentagon censorship."

### Inference to Conspiracy

A defense spokesman, who declined use of his name, said the article had an inference that there was a "conspiracy to kill the Marines." He said it impugned the good faith of Truman, Eisenhower, Gen. Omar N. Bradley, Gen. J. Lawton Collins, the late Adm. Forrest P. Sherman, and former Defense Secretary Louis Johnson.

From that listing, it appeared

the article must have dealt with the controversy in 1949 over the Marines' future. There were reports then that Johnson planned to merge Marine aviation into the Air Force, which Chairman Carl Vinson, D-Ga., of the House Armed Services Committee got Johnson to deny.

The Pentagon spokesman said the article first was submitted for clearance last September. At that time, he said, Col. James E. Mills, Marine information chief, opposed publication on grounds of propriety, but Lt. Gen. Wallace M. Greene Jr., Marine chief of staff, endorsed the article.

At that point the Army and Air Force contended the article was provocative and would stir inter-

service rivalries. The Navy took no position.

The defense official said a revised version was submitted in November and this time the Marine Corps headquarters, in forwarding

the article, objected to publication on grounds of "questionable propriety." The Army, Air Force, and Defense departments concurred, and there the matter stands.

## City of Hope Seeks Sponsors For Benefit Premiere Showing

Sponsors are being lined up for the Premiere Spectacular, which will be given at the Plaza Theatre on Wednesday, Feb. 21, as a benefit for Palm Springs Chapter City of Hope.

Jerry Gore, chairman of the sponsor division, has set the deadline for sponsors as Feb. 5. Anyone donating \$25 becomes a sponsor, receiving two tickets for the reserved section at the premiere and being listed in the souvenir program which will be handed out to all patrons.

Numerous stars of stage and screen are expected to attend the benefit with all proceeds from the show going to the City of Hope National Medical Center at Duarte.

In addition to the premiere there will be an all-Hawaiian fashion show, with Waltha Clarke presenting his most glamorous models. During this part of the show, Waltha will give away an all-expense trip to Hawaii for two, as he does each year.

Bess Matloff, chairman for this major fund-raising event, reports that tickets will go on sale shortly.

The name of the picture to be premiered has not been announced yet, but Earle Strebe, theatre

owner, has assured Chapter members that it will be a top film.

Standing beside a three-tiered white cake, which was decorated with blue icing and flanked by two candlebras, Rabbi Joseph Hurwitz of Temple Isaiah gave the invocation.

Following dinner and the show, which starred Debra Paget, mink stoles from Palm Springs Furs were modeled. It was Mrs. Esther Jacobs of New York who accepted one of the mink stoles.

Others who went home bearing gifts were Dr. George Gillman, Mrs. John Wax and Mrs. Marty Cohn.

The chapter thanked Mrs. Harry Stone for her part in making the evening successful by presenting her with a handsome travelling clock. THE DESERT SUN

Saturday, Jan. 20, 1962

From my desk in the beautiful new Desert Sun building, the far-off mountains and sand dunes are visible through the glass front, and late afternoon brings a picturesque dappling of sunshine and shadow.

Out at Shadow Mountain Club the sun dips down back of the mountains a little later in the day but there is the same kind of exciting view, which must have been the original inspiration for the club's annual Shadow Ball, always one of the prettiest of their social events.

This year's, which will be held on Saturday, Jan. 27, will be the 14th Annual Shadow Ball and they will be serving a Viennese dinner

and dancing to the music of two bands, Vin Riley and his orchestra and the Continental Trio. Cocktail hour starts at 6 p.m.

Champagne and caviar and game birds with wild rice featured the birthday dinner at Holiday Inn, which honored Claude Valeur's birthday. His wife Ruth had arranged the celebration, with a buffet dinner set up in the main dining room, where Billy Allen's orchestra plays for dancing.

Enjoying the festive affair and the birthday cake which was appropriately inscribed and decorated in a hunting theme, were Willie and Trav Rogers, Alta and

George Roberson, the Barney Hinkles, Mary and Bill Gargan (that was a goof about his using a speech box... he doesn't... he has accomplished the near-impossible and I still don't know how he does it, but he made a speech at Lions Club without using the Mike), Marvin and Jean Fritz, Robert Halls, Henry Goulds and the Jim Welshes.

Other old friends present were Pete Pettito, Tommy Clack, Clarence Bessmeyer and Jim Herbert.

Getting the full champagne treatment from Jolie Gabor, Mrs. Dwight Eisenhower and two friends, Mrs. K. F. Adams and Mrs. Robert Anderson, visited Jolie's jewel shop in the Village Green. The former First Lady admired the quaint charm of the Village Green, enjoyed her visit with Jolie and purchased a necklace and earrings of cultured pearls.

It was a touching scene out at Palm Springs airport when Mrs. Frank Hinton of Staten Island, N. Y., flew in with her son-in-law Ben Benson of Cathedral City.

On hand to greet her with warm embraces were her two daughters, Mrs. Benson and Mrs. Lee Smith of Newport Beach, whom she hadn't seen since 1957, and her grandchildren Ben Benson Jr. and Mrs. Jack Williams of Cherry Valley, and six great-grandchildren, whom she had never seen.

The New Yorker is here for an indefinite stay.

Invitations are out for a cocktail and dinner party honoring the recently wed Carol and Fred Johnson (she's the former Carol Malouf). The party will be hosted by Helen and Jim Abernathy at Thunderbird Country Club on Feb. 11, after Carol's parents, Vicki and Billy Malouf return from their month's holiday at Acapulco.

**A PREMIERE SPECTACULAR**, to be shown at Plaza Theatre on Feb. 21 as a benefit for Palm Springs Chapter City of Hope, is under discussion by Earle Strebe, theatre owner, and Elsinore Machris, honorary president of Palm Springs Chapter. (Desert Sun Photo)

**THIS CAKE** celebrated the fourth anniversary of Palm Springs B'nai B'rith Women. Pictured at the dinner dance in the Chi Chi Starlite Room are, from left, Mrs. Harold Sterling, 3rd vice president; Mrs. Menache Eliachar of Israel; Mrs. Julius Sherman, 2nd vice president; Mrs.

Herman Wittenberg, dinner chairman and 1st vice president; Mrs. David Lager; Past President Mrs. Ernest Spears, who is visiting here from Israel; and Mrs. Maurice Adass, co-chairman.

## B'nai B'rith Women Celebrate Anniversary

Nearly 200 were in attendance when the Palm Springs B'nai B'rith Women held their Fourth Anniversary Dinner - Dance in the Chi Chi Starlite Room.

Standing beside a three-tiered white cake, which was decorated with blue icing and flanked by two candlebras, Rabbi Joseph Hurwitz of Temple Isaiah gave the invocation.

Following dinner and the show, which starred Debra Paget, mink stoles from Palm Springs Furs were modeled. It was Mrs. Esther Jacobs of New York who accepted one of the mink stoles.

Others who went home bearing gifts were Dr. George Gillman, Mrs. John Wax and Mrs. Marty Cohn.

The chapter thanked Mrs. Harry Stone for her part in making the evening successful by presenting her with a handsome travelling clock. Mrs. Herman Wittenberg and Mrs. Maurice Adass, co-chairmen, were assisted by Mrs. David Lager, president. Mmes. Morris Altman, Jack Auerbach, Ben Jaffe, Julius Sherman, Harold Sobel and Messrs.

## Horoscope Forecast

By Carroll Righter

### FOR SUNDAY, JAN. 21

**GENERAL TENDENCIES:** A day when it will take all of the spiritual or religious convictions you have developed in order to so live by the Golden Rule that you will neither criticize others now, or get irked because conditions are confused and just won't break in your favor. A day and evening to stand steadfast to lofty tenets.

**ARIES (Birthdays from Mar. 21 to Apr. 19)** — Keep busy and controlled even though some jealous person is trying to give you a bad time. Else you can easily get into some unfortunate argument and you might reveal confidential information. Don't go out socially tonight.

**TAURUS (Birthdays from Apr. 20 to May 20)** — You can lose much prestige today if you don't remain calm and collected during emergencies or when others are pressing. Be sure to meet personal obligations, and make it a point to go to the church of your choice.

**GEMINI (Birthdays from May 21 to June 21)** — Try not to retaliate in kind if a fellow worker criticizes you on this free day because he, or she, is out of sorts. Get to church and pray for this individual as well as others who don't think before they speak. Be merciful.

**MOON CHILDREN (Birthdays from June 22 to July 21)** — A day to elevate your consciousness to greater things and be more courteous and kind to others. Also, whatever your tasks are, be sure you follow through with them, though they may seem unbearable and difficult. "Grow."

**LEO (Birthdays from July 22 to Aug. 21)** — Steer clear of trouble with others on this fine day. No matter what the provocation manages to smile and show you are bigger than the pettiness within the other individuals who are also tired and quite frustrated. Be smart.

**VIRGO (Birthdays from Aug. 22 to Sept. 21)** — A day for deep meditation and concentration upon the Higher Truths, since you have been having rather a difficult time of late. Remember that while the mortals' disappointment at one time or another, the Infinite never does.

**LIBRA (Birthdays from Sept. 22 to Oct. 21)** — Stick close to those who never fail to comfort today, since there is bound to be some disappointment from a friend you had trusted and you will need solace. Be strong — build character.

**SCORPIO (Birthdays from Oct. 22 to Nov. 21)** — Take care not to become impatient because a higher-up has not given the support you anticipated. Carry on faithfully and tomorrow you will be able to find a more efficient system of operation that will offset delays. "Work."

**SAGITTARIUS (Birthdays from Nov. 22 to Dec. 21)** — Important you elevate your level of consciousness to the very highest today. Get out early to visit the person or place where you can become most highly inspired or who can give you the wisdom of humility, the sign of the greatest.

**CAPRICORN (Birthdays from Dec. 22 to Jan. 20)** — Because this is Sunday is no reason why you should simply be thinking of how to waste the day eating and sleeping, possibly not even dressing. Be moderate instead. Get out socially enjoying company of dearest friends.

**AQUARIUS (Birthdays from Jan. 21 to Feb. 19)** — If you place too much stress on possible underlying schemes of friends where finances or property are concerned, you will fail to appreciate the true goodness and sincerity they are trying to express. Accept generosity. Be kind.

**PISCES (Birthdays from Feb. 20 to Mar. 20)** — You may think that today's efforts to assist others are just so much wasted energy and time, but you will be "toring up blessings for yourself and be a source of inspiration to others, which is strongly needed at this time."

**If Your Child Is Born Today:** He, or she, will be one of those independent little youngsters who will want to get out into the world and make a way for himself, or herself, even long before being equipped with sufficient schooling to make the way at least half-way easy. Give early spiritual training in case you are unable to cope with this situation when the time comes. Be tolerant.

"The Stars Impel, they do not compel." What you make of your life is largely up to you!

**FRANK ALLEN**, left, who originally came to Palm Springs eight years ago during the testing of the film "Pay As You See," is now the new owner of Desert Electronics Television Co., resigning as general manager of Palm Springs Television Co. He is shown here with Johnny Martin, who heads the new firm's service department after 20 years in the field, in front of the establishment, 1068 N. Palm Canyon Drive.

## Born to Be a Cop, One Actor Has Never Been

By VERNON SCOTT  
HOLLYWOOD (UPI) — Leslie Nielsen was born to be a cop, but he never quite made it—except vicariously.  
His father was a Canadian Mountie for many years and his brother took to flatfooting, too. But Leslie, a handsome blond type, was a black sheep. He became an actor.  
Everybody knows what cops think about actors, but Leslie made amends by portraying a policeman in the television series "The New Breed."  
While Leslie doesn't suffer from fallen arches, he has found that his best is more exhausting than patrolling Skid Row on New Year's Eve.  
Safety Factor  
His job has one major advantage over his father's. When the hoodlums shoot at him the bullets are strictly blank cartridges.  
"It's a nice thing to have going for you," Nielsen grinned. "Otherwise laughs are hard to come by. He works 12 to 14 hours a day on the weekly show and finds he acts best when thoroughly exhausted."  
"There are three ways an actor can use himself to best advantage in front of a camera," Nielsen avows.  
"The first is to get a mean, brow-beating director who drives his actors to a point where they are no longer acting to reveal their inner character. The second is to work for a director who hand-holds the performers and gently gets their confidence. "But the best way is to work so hard you're unable to learn your lines. Then you start winging the dialogue and leave your self alone."

# ADVERTISING CODE of ETHICS

**TRUTH**  
IN ADVERTISING

Advertising performs an economic function of great magnitude and service. Without it, production would grind to a halt and warehouses would be clogged for failure of distribution.

Advertising is also news in the true sense. It tells about products new or old and tells where they may be had, under what circumstances, and at what price. It saves untold hours of searching for the busy buyer and brings together buyer and seller in a atmosphere of understanding. Advertising's function is therefore, informative as well as economic.

The effectiveness of advertising is dependent greatly on the medium in which it is placed. To protect the public is a primary duty of the medium — and indirectly this also protects the advertiser. When the public places confidence in a certain medium, this confidence embraces the advertising in it. Therefore, it is of the utmost importance that the acceptability standard set forth here be strictly honored.

RECOMMENDED by the  
**BETTER BUSINESS BUREAU**

3. known to be contrary to established laws and legal regulations.

## 'Ethics' Is Study Subject for Unitarian Fellowship Meeting

"Ethics" will be the subject for study and discussion when the Unitarian Fellowship of Palm Springs meets on Sunday morning at 11 a.m. in the board room of the Chamber of Commerce, 190 West Amado Road.

Taped comments by two outstanding commentators on the current scene, Joseph Wood Krutch and C. Wright Mills, will be heard by the group prior to general discussion of the topic at hand.

Krutch's talk is entitled "The New Morality," while Mills titles his "A Pagan Sermon to the Christian Clergy."

This is another in the Unitarian Fellowship's current series of "Eight Ventures Into Thought."

The programs are led by Fellowship chairman William Hesson, and are followed by a coffee period and open discussion. Anyone interested is invited to attend.

For the children, Palm Springs

Unitarian Fellowship conducts Sunday school each week, with Mrs. David Hamilton in charge. For information on the enrollment of young people in these classes, please contact her.

## Demands Resolved by Knowledge

Conflicting demands of everyday living can be resolved through spiritual understanding of God as divine Life. This is a theme of the Lesson-Sermon entitled "Life" to be read in all Christian Science churches on Sunday.

Scriptural selections include this passage from John's Gospel.

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." And Jesus' promise of eternal life when he said to the woman of Samaria, "If thou knewest the gift of God, and who it is that saith to thee, Give me to drink; thou wouldest have asked of him, and he would have given thee living water . . . whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life." (John 3:16; 4:10; 14)

In "Science and Health with Key to the Scriptures" Mary Baker Eddy declares, "Life is divine Principle, Mind, Soul, Spirit. Life is without beginning and without end . . . If Life ever had a beginning, it would also have an ending." "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality." (pp. 468, 487)

The Golden Text is also from John (17:3), "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

## Wholeness Is Arnold's Topic

A sermon on Christian healing will be preached at the Community Church of Cathedral City by the pastor, the Rev. James W. Arnold, at the 11 a.m. service.

The sermon title will be, "Dedicated to Wholeness," and found in John 5:6.

The Sacrament of Infant Baptism will be administered by the pastor.

The annual congregation meeting will be held at a dinner meeting Sunday evening at 6 p.m. New officers will be elected at the meeting.

## Desert Area Church Activity

CITATIONS WERE presented to the Church woman and Churchman of the Year, during St. Paul's Annual Parish Meeting held in Hogarth Hall. Pictured from left are Clarence Macy, Churchman of the Year.

the Rev. Dr. Fredrick A. Barnhill, rector; Mrs. Robert Henwood, Churchwoman of the Year; and John Connell, Junior Warden of St. Paul's. (Desert Sun Photo).

## Two Cited at St. Paul's

The Annual Churchwoman and Churchman of the year were presented with citations at the Annual Parish meeting in St. Paul's Church.

The Rector presented the awards to Clarence I. Macy, Jr., and Mrs. Robert E. Henwood for distinguished service to the parish.

Mrs. Henwood, wife of the hospital administrator and mother of five children, has spent many years as Church School teacher in St. Paul's Church, and in more recent years has acted as hospital-ity Chairman.

For the Sunday morning coffee hours she bakes hundreds of cookies, prepares endless bowls of punch, gallons of coffee, and washes thousands of dishes. She performs this service with a joyousness that is infectious, and as a result has proven to be a genuine source of encouragement and help to her Rector.

Macy is the personal confidant and leader of most of the Scouts and Explorers in the Parish of St. Paul's.

Although his work is at night, Mr. Macy has found time to be Scout Master of Troop 39, a leader of Explorer Post 39, and a teacher of the junior high class at St. Paul's Church.

Youth are his avocation, he hikes with them, bicycles with them, water skis with them or just plain talks with them. This has made him an invaluable counselor to the teenagers of the parish.

Following a potluck supper sponsored by the Guild of St. Paul's, reports were presented by Robert W. Peterson, Senior Warden; John M. Connell, Junior Warden; Frank W. Camp and Hillis Peterson; finance committee, and the Rector. All committees and organizations submitted written reports of the past year's work.

## Spiritual Meaning of Windows To Be Explained in Sermon

At the duplicate morning worship services (9:30 and 11 a.m.) in the Community Church of Palm Springs this Sunday, Dr. James H. Blackstone Jr., pastor, will preach on the subject "Streams in the Desert."

This will be a sermon interpreting and applying the spiritual meaning of the six beautiful Chancel windows in the New Sanctuary. The art glass windows depict the river of living water flowing through the barren wastelands from the purple mountains with palms and desert skies adding their greens and blues to the vivid coloring.

The Sanctuary Choir, under the direction of Dan Kammeyer, will sing the anthem "Ho, Everyone that Thirsteth" by MacFarland, with Charles Berglund, Tenor Soloist. Mildred Kammeyer is the church organist. A nursery is provided to care for small children during the two worship services.

Sunday School is held at 9:30 a.m. with classes for all ages except the High School which meets at 11. A closely graded curriculum offers Christian nurture and education based upon the Bible, God's Holy Word and instruction is adapted to the various age levels.

Youth meetings are held at 6:30

## Save Linens

Bed linens last longer if allowed to rest between periods of use, says Mrs. Anne Sterling, Director of Consumer Education for American Institute of Laundering. She recommends putting your laundered sheets at the top of the linen shelf, and using those from the bottom.

# Leaders Claim 1500 State Reds

SAN FRANCISCO (UPI)—There are about 1,500 Communist party members in California, according to the state's two top party members.

Dorothy Ray Healey, chairman of the Southern California branch of the Communist party, and Albert J. Lima, Northern California chairman, Tuesday testified before a hearing of the Assembly Committee on Constitutional Amendments.

They opposed a proposal to change the state Constitution to allow members of the Communist party from public office and from tax exemptions.

Miss Healey called the proposal a clear attack on freedom of citizens to engage in political activity.

The Communist party, she insisted, is "dedicated to preserving and extending the guarantees of political freedom in this country."

It works through existing institutions and freedoms, she said, and does not advocate violence. She said it only seeks the overturn of "out-moded" capitalism.

**Report on Membership**

Miss Healey placed Southern California membership at 1,000 members and Lima said he represented another 500. They said they did not know of any teachers who were members of the party, but both said there were student members. They said party membership totals were the lowest in years.

Miss Healey answered a variety of questions about the nature and purpose of the Communist party. Do American Communists take orders from Russia? "Absolutely not," she replied.

Is communism more advanced in some other countries? "Yes," she said.

At that point, Assemblyman Don A. Allen Sr., D-Los Angeles, asked "Why in hell don't some of you Typhoid Marys take a boat and go back to the countries you think are so great?"

"Because we love our country," was the reply.

**War Means Death**

Asked what she would do in case of war, she said she would "be doing exactly what you'd be doing — I'd be dead." She said Communists have defended the United States in War before and could be expected to do so in the future if necessary.

The Constitution already denies office and tax exemptions to anyone who advocates overthrow of the government. The proposal to name the Communist party in the Constitution was advanced by Assemblyman Louis Francis, R-San Mateo.

An earlier witness, Mrs. Virginia Brink, Palo Alto, representing the Friends Committee on Legislation, said her group feared the "vague, broad language" of the proposed amendment.

"We believe government can deal effectively with treason...with subversion, without violating due process of law," she declared.

"There is great danger here—rumors and hearsay, and irreparable damage to innocent persons are a likelihood."

She quoted an Adlai E. Stevenson speech: "We must not burn down the house to kill the rats."

**SCIENCE FOR KIDS**

NEW YORK (UPI)—When buying a science book for a child, look for one that presents ideas along with its facts, says science writer John Pfeiffer.

"The main task is delineation of concept—the ideas and hypotheses that stimulate scientists to seek further knowledge," Pfeiffer said.

## Haynes Is Sheriff of Spa Rodeo

Popular disc jockey Dick Haynes has been named High Sheriff of the 22nd Annual Palm Springs Rodeo, Jan. 27 and 28 at the Polo Grounds.

Announcement of Haynes, whose "Haynes at the Reins" show on a Los Angeles radio station, was made by Rodeo co-chairman Cliff Campbell and Clare Ballagh. As High Sheriff it will be Haynes' duty to "maintain law and order" on the desert during Rodeo week-end.

Haynes has been an early bird disc jockey for 16 years, during which time he has created a group of vocal personalities who help him deliver Haynes humor each morning. They have such improbable names as Gumdrops, Gus, Alessandro, Sir Chester Drawers and Wilhemina Mildew.

## ADMINISTRATION "YES"

# Revamping of Welfare Needed?

SACRAMENTO (UPI) — Does California's social welfare system need revamping?

The administration has admitted recently that it does, but not to the degree suggested to a Senate committee by Justin Sweet, associate professor law at the University of California.

Sweet said that "enlightened and progressive leadership" was needed in California's public welfare and charged that the state Social Welfare Board is incapable of furnishing it.

But Gov. Edmund G. Brown made public a report by Samuel Leask Jr., administrator of the state Health and Welfare Agency, claiming that the board had "demonstrated exceptional capability in executing its responsibilities."

"In general, they (the board members) have done an excellent job of formulating workable policies and rules that are well within the law and legislative intent," Leask said.

However, he did make "some suggestions:

- That counties should have the right to appeal to courts from Welfare Board decisions.
- That the state director of social welfare should be assigned rule-making authority, thus taking away from the board the

"minutia" of rule making and giving it time for policy decisions. Meanwhile, the Senate Fact-finding Committee on Labor and Welfare continued a two-day hearing of the Social Welfare Board, should into the reactions to the Sweet report be set by the state Personnel Board.

—That the salaries of the seven-member board, now set at a token amount, should be increased to \$3,600 a year.

Brown said he was turning Leask's recommendations over to

Lee Bryan's famous El Mirador Beauty Salon 325-6192 or 324-1141 present:
